

Reception Homework – Friday 26th April 2024

Once your homework is completed, take a photo and upload it onto Tapestry. Please give it the title: Homework 26.04.2024

Activity:

In school, we have been learning all about animals on a farm whilst reading the story 'What the Ladybird Heard' by Julia Donaldson. This week for your homework, we would like you to play I Spy, using the picture on the next page. What can you see? Can you say that first sound that it begins with to help your family?

As an extra challenge, you could choose to write the different items you can spot in your homework book. You could even write a sentence about the farm picture using your phonics.

Parents:

- Support your child with using the phonemes (sounds) as the clue.
- Support your child with taking turns whilst playing the game.
- Support your child with using the phonics they know to write the words to support them with being independent (e.g. for grass, your child may write 'grars'). This is okay as they are using what they know of phonics so far.
