## **Family Learning Day Maths Problem Solving**

**Friday 24<sup>th</sup> May 2024**

Dear Parents,

As part of our school development this year we have been working on children's problem solving skills in maths. We would like to invite parents or grandparents to join us on **Friday 24<sup>th</sup> May 2024**, to do some fun problem solving with their child.

Each class will have a set time, where a parent or grandparent can join their child to take part in the session. Please see below for times. If a parent has a child in more than one year group, they are welcome to join each session.

**Reception: 10.45-11.45am**

**Year 1: 2.00pm - 3.00pm**

**Year 2: 9.30am – 10.30am**

Please click on this [link](#) if you wish to attend. Parents should arrive a few minutes before the session begins, to sign in.

**Please be advised that due to fire regulations and the limited space in classrooms we are unable to accommodate preschool children at this event, including babies.**

We look forward to seeing many of you at this event.

Yours sincerely

Lesley Schlanker  
Headteacher
