

Reception Homework – 26th September 2025

This week, please complete your homework on an A4 piece of paper to bring into school. We can provide this for you, if needed, please just ask.

For your homework, we would like you to create a poster all about you! Please complete this poster on one sheet of **A4** paper only so we can create a class book. You could include photos or drawings of your family members, pets, beliefs, favourite hobbies, favourite food, favourite toys, special places, favourite colour and/or favourite animal. You can choose!

The children will then be able to go through the book and share their posters with each other. This book will be used as a discussion starting point. The book will be kept in the classroom for the children to look at during the day if they wish.

If you have any queries or questions, please let us know.

Parents:

- Support your child to think of facts about themselves.
- Talk to your child about what they have decided to draw or stick onto their poster as this will support them when they share their poster in school.
- Support your child with using scissors (if necessary).
