

Homework 27th September 2024

This week we would like you to learn your part of the Harvest poem below. Your child will bring home a paper copy with the section they need to learn highlighted.

H is for the Harvest.

Farmers work hard, hour by hour,
to cut and store the golden grain that's then made into flour.

A is for apples, pears and plums,
all hanging from the tree.

They're fresh and sweet and juicy - a treat for you and me.

R is for red and yellow, orange, gold and green,
the trees so full of colour as nature paints the scene.

V is for vegetables, gathered and safely stored away.
Potatoes, carrots, sprouts and peas, so there's some for every day.

E is for the earth, providing all our food,
with sun and rain to make things grow to give us all that's good.

S is for seeds, so gently twirling to the ground,
settling deep within the soil where new growth will be found.

T So it's a big Thank You we must not forget to say
To God above who shows his love in caring day by day.

Do some more research about harvest celebrations. You might like to use the websites below. You could make a poster or write facts about what you learn.
