

Homework 09.01.2026

This term our topic is called Amazing Creatures.

For homework we would like you to write 5 questions you would ask a paleontologist about dinosaurs.

Remember to:

- Use a range of questions words; e.g., who, what, where, when, how and why.
- Use a ? at the end of a question.
- Write open questions that need an interesting and detailed answer not just yes or no.
