

**Friday 6<sup>th</sup> February 2026 – Science homework**

In Science this week we have been thinking about where our food comes from. We have learnt that foods can come from animals or plants.

### Activity 1

Label the foods with their food source – either ‘animal’ or ‘plant’.

## Activity 2

Record names of foods you eat this week/weekend into the correct column of the table:

## Spelling homework

This week please write each word 5 times or complete pyramid writing.

### **Spelling words**

verge	badge	large	giant
whinge	dodge	fudge	range

### **Prickly spellings**

once	two	any	many
------	-----	-----	------
