

Homework 07.03.2025

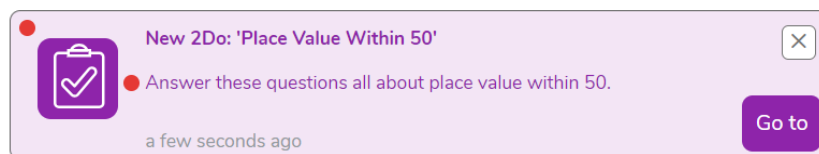

This week in Math's we have been learning about the tens and ones in 2-digit numbers to 50. For example, 34 has 3 tens and 4 ones.

For homework this week we would like you to log on to Purple Mash where a '2Do' called 'Place Value Within 50' has been set for you to complete. Answer each question using your knowledge of counting in the pattern of tens and ones. It may be useful to practicing counting in the pattern of 10s before completing the online activity.

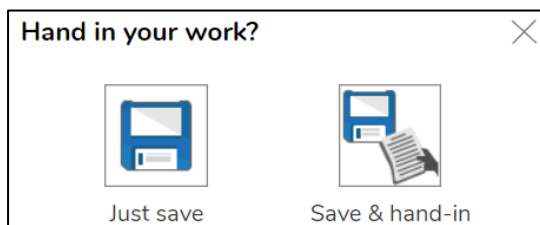

Here is a link to Purple Mash: <https://www.purplemash.com/sch/baddow-infant#/>

Username and passwords can be found in either your reading diary (C3) or homework book (C4).

Once you have logged in click on the 'bell' where you will find the notification for the 2Do.

Remember to save and 'hand in' your work once completed.

If you have any questions please ask your class teacher.
