

Easter Holidays

Here are some activities you might like to do. Colour in the box when you have completed the activity.

Make Easter cakes

Scavenger hunt
(inside or outside)

Find something:
smooth
rough
furry
tickly
spongy

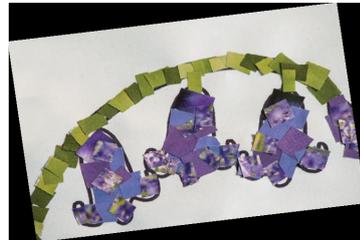

Read at least five
books over the
holidays

Write some maths
sums on egg shapes
and hide them in the
garden.

How many can your
family solve?

Create a bluebell
mosaic using scraps
of paper.

Your recycling might
help with this

Practise measuring
using ml, grams and
cms.

You could play in the bath
with a measuring jug. You
could help your family with
the cooking and help by
using weighing scales or you
could measure a range of
objects outside using a
ruler.

Build a den.
(inside or outside)
Measure the height,
width and length of
your den.

Easter starts with
the letter 'e' - what
else starts with the
same letter?

Write a list of words
that start with the
same letter. How
many can you think
of?

Choose an outdoor
Easter activity
Build a nest

Easter egg leaf craft
