

Reception Homework – Friday 7th February 2025

Once your homework is completed, take a photo and upload it onto Tapestry. Please give it the title: Homework 07.02.2025

Activity:

In school, we have been thinking about using our imagination within our play.

Over the weekend, we would like you to use your imagination. You can do this in a range of ways including through role play games, making up stories verbally and/or creating artwork (such as drawings, models and props for games). You could even go on adventures with your family to different places to spark your imagination!

Parents:

- Talk to your child about their ideas.
- Play with your child and model using your imagination too.
- Support your child to use their imagination by asking questions using 'I wonder' such as:
 - I wonder where are you going?
 - I wonder what will be there?
 - I wonder how you will get there? Is it a magical way?
 - I wonder what is going to happen next?
 - I wonder what you are going to use that for? (If making or design something as part of their story.)
- Encourage different experiences by reading and telling imaginative stories. You could also go on visits together to places such as museums and woods. Going to different places can spark interest, curiosity and ideas.
