

HOMEWORK

Friday 17th October 2025

In preparation for next term, for your homework we would like you to design a firework safety poster telling people how to keep safe.

You will need to first research the firework code safety points and then use these to create your poster.

Create the poster on an A4 or A3 piece of paper so that we can display them in school.

Be as creative and decorative as you would like, but make sure you include all the safety points from the firework code.

We are looking forward to seeing your posters!

Mrs Cook and Mrs Fairley
