

Reception Homework – Friday 27th February 2026

Once your homework is completed, take a photo and upload it onto Tapestry. Please give it the title: Homework 27.02.2026

Activity:

In school, we have been learning all about animals that hatch from eggs. For your homework this week, we would like you to draw a picture of your favourite animal that hatches from an egg. Can you then use your phonics to write which animal it is? Use the graphemes that you know, do not worry if it is not spelt completely right (e.g. snake could be spelt snaik as 'ai' is the way we know how to spell this sound).

Parents:

- Talk to your child about their ideas.
- Ask them why it is their favourite.
- Use the grapheme support sheet on the English section of the website if needed.
- Support your child with the correct formation which again can be found on the English section of the website if needed.
- Challenge your child to write a simple sentence if they would like. Make sure it is as simple as 'It is a ...'.
