BADDOW NEWS

Baddow Hall Infant School Newsletter

Dear Families,

This week, a team of year one children attended the Teddylympics sports competition with Mrs Cook and Mrs Purcell. They competed against 12 teams from local schools and came 3rd overall. Tooni in class 3 received a special award for resilience. Well done to all the children that took part. We are very proud of all of you.

Children in reception visited Great Baddow Library this week, as part of their learning about the area in which they live and the people who help us. The children enjoyed spending time in the library listening to stories. We would encourage parents to take children to the library on a regular basis to make use of this wonderful resource on your doorstep. Thank you to parents and grandparents who supported staff on this local visit.

In year 1, children have been learning about mechanisms in design and technology lesson. The children have investigated making moving parts and have made their own moving pictures using a slider.

In year 2 design and technology lessons, children are developing their understanding of how to join materials in different ways. This week, the children have been learning to sew as this skill will help them to create their puppet over the coming weeks.

November seems to be disappearing very quickly and we are now starting to think about Christmas events in school. Please check the school calendar and ensure you have saved the date to see your child in their Christmas performance.

Have a great weekend.
Best Wishes,
Lesley Schlanker
Headteacher

School Attendance

Our school attendance target is 97%.

Our school attendance is currently 95.9%.

We are monitoring attendance weekly and you will be invited to attend a meeting in school if your child's attendance is a concern.

IMPORTANT REMINDER: Earrings cannot be worn on PE days or if your child attends a club, unless the child can remove them themselves. Staff are not permitted to remove or tape earrings.

Please ensure that your child does not bring any products into school containing nuts, including cereal bars, cakes and sandwich fillings etc.

This also includes chocolate spread as we cannot be sure that it is not Nutella. We have staff and children with severe nut allergies.
