<u>Friday 20th March – Maths Homework</u>

Over the past few weeks we have been using the <u>column method</u> to add and subtract two digit numbers.

E.g.

	5	2
+	4	1
	9	3

$$38+$$
$$45$$
$$83$$
$$1$$

	2	5
-	1	3
	1	2

$$^6\cancel{7}\,^12$$
$$5\ 6\ -$$
$$1\ 6$$

Please copy these sums out into your homework books and answer them using the column method – as we have been doing in school. Take care with presentation and check if the sum is addition or subtraction. Remember you can draw dienes (tens and ones) to help you.

36 + 21 =

41-12=

23 + 24 =

22-13=

47 + 32 =

35–15 =

58 + 41 =

42-38=

18 + 45 =

24-12=

36 + 27

45-38=

Spelling Please write each word 5 times or write sentences for the spelling words.

Spelling words

kidneys	alley	monkeys	jellies
turkeys	chimney	lollies	donkey

Prickly spellings

move	improve

REMINDER! We would like you to create an Easter bonnet ready for the Easter Bonnet Parade on Friday 27th March. You can choose how you would like to create your Easter bonnet and what you would like it to look like. We have attached a few pictures for inspiration but it is completely your choice! Please make sure your name and class are on the bonnet. We can't wait to see them!
