Materials hunt

Friday 6th November 2026 – Science homework

In Science we have been learning about materials and went on a material hunt around the building. This week we would like you to go on a materials hunt around your house and record the different materials you can find. Write down the name of the object and what it is made from. Make a list in your homework book to record your results.

Object	Material it is made from	Property of the material
Window	Glass	Transparent

Words to help you:

metal, plastic, glass, fabric, wood, rubber, transparent, opaque, flexible, rigid, shiny, dull, fluffy, bumpy, rough, smooth

Star challenge: Which materials did you find most of? Which did you find less of?

Spelling homework

We have now started our Little Wandle Spellings lessons. Each week we will give you some of the spellings we have been learning.

This week the children can either write sentences for each word or complete pyramid writing. For example:

l

lo

lor

lorr

lorry

Bridge to spelling week 1

Spellings

wrist	little	school	thumb
lorry	wheel	wiggle	thunder
