## Baddow Hall Infant School Newsletter

Dear Families,

Children in reception have been learning about how we use a range of vehicles to travel. The children designed a new vehicle, thinking about the number of wheels and the passengers that it needed to carry. Reception have also been learning how to identify rhyming words, which will be reinforced in their homework this week. Completing your child's homework with them enables them to embed the learning they have been doing in school and supports them to be more confident moving on with their learning.

Year 1 have been researching information about dinosaurs and writing their own factual sentences, that they are making into a book. They have been focused on using their phonics learning to help them with spelling and ensuring they have capital letters and full stops. We look forward to reading the books they have made.

Year 2 are working hard on learning their times tables. This is something they need to continue to practise at home to enable them to recall the facts quickly, reducing the cognitive load when they are working out more complex maths problems. By the end of KS1 children need to be secure in 2, 5 and 10 times tables. Having these embedded will support them as they move into key stage 2.

If there are any parents or grandparents who are interested in supporting the children with gardening in the coming months, please come and talk to me at the gate.

Have a good weekend.  
Best wishes,  
Lesley Schlanker  
Headteacher
