

Reception Homework – Friday 24th April 2026

Once your homework is completed, take a photo and upload it onto Tapestry. Please give it the title: Homework 24.04.2026

Activity:

We had a fantastic day on our trip today. This week we would like you to draw a picture and write a sentence about what you liked the most, or a fact that you learnt while we were there.

Parents:

- Support your child by asking about some of the things your child saw at the park (use the Tapestry post to prompt if needed).
- Talk to your child about their favourite part of the day.
- Support your child with using the phonics they know to write the words to support them with being independent (e.g. for liked, your child may write 'lighcd'). This is okay as they are using what they know of phonics so far.
