

Baddow Hall Summer Fair

We are so grateful to Bond Residential for sponsoring our Summer Fair again this year. For every family that agrees to have a board outside their home advertising our event, our schools will benefit from a donation of £5

Please support our fundraising efforts by completing and signing the form below to consent to having a board outside of your home

All details will be passed onto our sponsors Bond Residential to arrange delivery and collection of the boards. 25 houses will be selected to have a board outside their house. The PSA will still receive a £5 donation for every completed form, however completing the form does not mean that you will definitely have a board.

In line with GDPR regulations, we will not hold onto any data following the event. All data will be deleted

Thank you for supporting our event and a big thank you to Bond Residential for their sponsorship

Please complete the below slip and hand it back to a PSA member, or send the below details and your consent to the PSA email 'psa@baddowhall-inf.essex.sch.uk'.
