

Parent Staff Association

Who are we?

Baddow Hall Schools' Parent Staff Association (PSA) is run by parents and staff from the Infant and Junior Schools. We aim to raise funds for the schools whilst having fun. And we actually do have fun ☺ We promise that all the 'scary' jobs are already filled, but we are hoping to find extra hands to help us raise much-needed funds for our children.

What we do, why do we do it and who benefits?

We meet regularly to discuss ways we can raise new funds for our schools. We are always open to new ideas. In the past, we've raised around £8,000 - £10,000 per year by running events such as our Christmas & Summer Fayres, Film & Quiz Nights and used it to fund items like the following for the schools:

- Defibrillator (Both Schools)
- Coaches to and from swimming (Juniors)
- Theme days in School(Juniors)
- Playground games equipment (Infants)
- Subsidised school trips for all years(Juniors)

What are we hoping to achieve next?

Each year, the schools give us a wish list that we consider as a group. This year they've asked for:

- Outdoor classroom/learning area (Infants)
- Playground Marking (Juniors)

What kind of help do we need?

We would love you to get involved in our schools - join the 21 million Britons who care enough about their community to volunteer. We want to work together to try and enrich the school environment for our children and for the future. We hope that our new volunteers can bring diversity and different perspectives to our group. Some of the benefits to you and our schools are:

- Making a positive difference to other people
- Boosting a CV
- Providing positive adult role models
- Learning new skills
- Feeling welcomed and valued at school
- Enriching the school environment
- Appreciation for the talents and contributions of teachers, parents and community volunteers
- Sharing and learning new skills
- Meeting new people and having fun
- Involvement in the school and community
- Assisting students to achieve
- Sharing knowledge and talents
- Parent understanding and cooperation

On the attached page, we've compiled some of the areas we would love extra help with. Please fill it in and return it to school with your child.

One of the finest ways to get acquainted is through activity in the PSA. There are so many ways in which your talents might be buried and we want to make certain they are unearthed.

We have compiled this questionnaire to find out a bit more about you and the things that interest you. This questionnaire in no way commits you to any specific task however if you would like to contribute your time and talent, please detach this sheet, tick your areas of interest and return this sheet to the school.

Why don't you try it out - help us at one event and see whether you enjoy it?
