

Science homework – Friday 13th March 2026

In Science we have been learning about animals and their offspring.

Activity 1

- Write the number from the parent animal in the box next to their baby to match them up.
- Can you name any of the animals? Write the names of any of the animals that you know. Use the word bank below to help.

<input type="text"/>		<input type="checkbox"/>		<input type="text"/>
<input type="text"/>		<input type="checkbox"/>		<input type="text"/>
<input type="text"/>		<input type="checkbox"/>		<input type="text"/>
<input type="text"/>		<input type="checkbox"/>		<input type="text"/>
<input type="text"/>		<input type="checkbox"/>		<input type="text"/>
<input type="text"/>		<input type="checkbox"/>		<input type="text"/>
<input type="text"/>		<input type="checkbox"/>		<input type="text"/>
<input type="text"/>		<input type="checkbox"/>		<input type="text"/>

Word Bank	deer lamb chick frog foal sheep cygnet duck horse caterpillar duckling swan butterfly tadpole fawn hen
------------------	---

Enjoy this game:

Matching: Baby animals
