

Friday 24th April – Maths homework

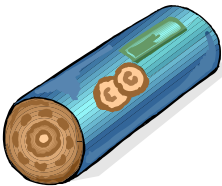

This week we have been working on counting money, making amounts in different ways and adding amounts.

Activity 1 -Make these amounts in two different ways. Draw the coins/notes.

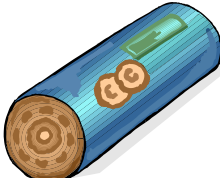

| | | |
|--------------------|--|--|
| 54p | | |
| 95p | | |
| 70p | | |
| £5 and 50p | | |
| £10 and 60p | | |
| £20 and 10p | | |

Activity 2 – work out how much you have spent! Use column method to find your answer.

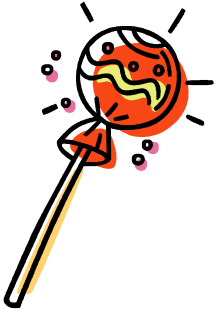

| | | | | |
|--|--|--|---|--|
| 25p  | 43p  | 15p  | 28p  | 36p  |
|--|--|--|---|--|

 + 

costs _____ p altogether.

 + 

costs _____ p altogether.

 + 

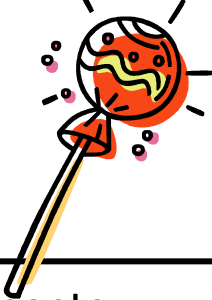

costs _____ p altogether.

 + 

costs _____ p altogether.

 + 

costs _____ p altogether.

 + 

costs _____ p altogether.

Star challenge: Visit a shop and practice using money and receiving change. You could also play this game - [Toy Shop Money Game \(GBP\) - Topmarks](#)
