

Reception Homework – Friday 3rd July 2026

Once your homework is completed, take a photo and upload it onto Tapestry. Please give it the title: Homework 03.07.2026

Activity:

This week, we have tried a selection of different fruits. We always have fruit at snack time, but this week we tried a range of fruits which we have not had before at school, ready to make our fruit yoghurts next week. We were so impressed with how well you all did with trying the different and new fruits.

For your homework this week, we would like you to try a healthy food that you have not tried before. Can you describe what it looks like, what it feels like and what it tastes like?

Parents:

- Support your child with thinking of a new food that they could try.
- Support you child with describing the appearance, texture and taste.
- Take photos and show us the new healthy food item they have tried.
