

Reception Homework – Friday 5th June 2026

Once your homework is completed, take a photo and upload it onto Tapestry. Please give it the title: Homework 05.06.2026

Activity:

This week, we would like you to help your grown ups make a healthy meal. This could be for breakfast, lunch or dinner. Can you help to make the meal, set the table and talk about the healthy food as you make it? Whilst eating your meal, tell your family your favourite part of the Supertato story we read this week at school by Sue Hendra and Paul Linnet.

Parents:

- Support your child with using the kitchen tools and equipment safely.
- Support your child with discussing which foods are healthy and which are not.
