

Friday 12th June – Science homework

In science we have been learning about the food groups: Carbohydrates, Fruits and Vegetables, Protein, Dairy and Fats and oils.

This week we would like you to record the foods you eat and label them with the food group they are from.

Task 1

Food item you ate	The food group it belongs to
Pasta	Carbohydrate

Task 2

Enjoy playing this game:

[Eat well \(5-7 Years\) - Food A Fact Of Life](#)

Spelling homework

Across and down or pyramid writing

Spelling Unit 12 week 2

Spelling words

collected	reflected	inventor	invented
inspection	actor	collection	inspector
