

Homework 09.10.2026

In Math's this week the children have been learning to count in the pattern of tens, also known as decade numbers.

For homework we would like you to:

- Practise counting out loud, forwards from 10-100 and then backwards from 100-10 (please make sure your child is pronouncing the 'tea' and not 'teen' at the end of numbers).
- Make groups of 10 using objects (straws, spaghetti, cubes, Lego blocks etc) and count how many altogether (see example below).

Star challenge:

Write the pattern of 10s in order, begin with forwards 10-100.

If confident write the pattern backwards 100-10.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
