| Research an animal that lives in the rainforest. Draw a picture of them and write facts about them. What do they eat? What do they look like? How do they move? | Gather some leaves and create a piece of artwork. You could also decorate the leaves with paint, glitter or any other materials you have! | Find out the names of famous rainforests. Where in the world are they? How big are they? What animals live there? | Remind yourself of the rainforest habitat by watching this video: What is a rainforest habitat? - BBC Bitesize Make a poster about the rainforest habitat explaining what it is like. |
