

## **Music Club 2023-24**

Dear Parents,

If your Child is interested in joining next term, please see information below and email James at **essexguitarteacher@hotmail.co.uk** with '**Baddow Infants Interested**'.

The music club is great for children who want to play in a 'Bubble band' with the following instruments: Guitar, Drums, Keyboard and sometimes Singing.

No need to buy an instrument straight away as the instruments can be provided during the lessons. The children form bands and lessons take place in small groups, allowing the children to play modern Pop/ Rock songs with a fun performance at the end of term.

The lessons are 20 minutes long and take place during school time (but not Break times). Learning in a band like this has many benefits, especially building confidence and it is a lot of fun. Why not give it a try.

Equipment is sanitized between each lesson.  
Well ventilated teaching space.

Day: **Monday**                      Time: **Morning**                      Cost: **£55 Paid Termly**  
Club will start w/c 18.09.23 and finish w/c 04.12.23. (11 Weeks)

Please use this format for payment ref:  
BI, child first & last name and class number, just change name and class accordingly
