

Reception Homework – Friday 19th June 2026

Once your homework is completed, take a photo and upload it onto Tapestry. Please give it the title: Homework 19.06.2026

Activity:

This week, the weather has been getting warmer as we are now into the summer months.

For your homework this week, use the summer hunt checklist that is on the website to explore the signs of summer using all of your senses (sight, hearing, taste, touch and smell). Which ones are in more than one group?

Parents:

- Support your child with finding the different things on the checklist.
- Support you child by talking about the senses they are using.
- Take photos showing the things that you have found.
