

# Year 1 winter holiday homework

We would like you to choose at least three of these things to do during your holiday. Colour in when you have done them.

Watch your favourite film	Drink your favourite hot drink	Practise doing your coat zip up on your own!
Go on a walk to the park and collect fir cones. Using the fir cones make a picture	Play a board game with your family	Eat your favourite food
Dance to your favourite song	Do something kind for someone	Read your favourite story to someone

You can take photographs of you doing them if you want to and post them on Class Dojo!
