

2BeSafe - Online Safety

2BeSafe is an online safety scheme of work, published by 2Simple (Purple Mash), to meet the guidance set out within the Department for Education's - Education for a Connected World. The Education for a Connected World framework outlines eight key areas which seek to equip children and young people for digital life and the digital world.

Curriculum links

EYFS Statutory Educational Programme: Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.

National Curriculum links: use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

EYFS

Term	2BeSafe	Links to SCARF (PSHE)	Purple Mash (Computing)
Autumn 1	Online relationships Session 1 and 2	<ul style="list-style-type: none">• Me and my special people
