

Music Club – Sign Up for Next Term

Dear Parents,

If your child is interested in joining the music club next term, please see the details below and email James at essexguitarteacher@hotmail.co.uk with the subject line **"Baddow Infants Interested"**.

The club is perfect for children who want to play in a band. Instruments include Guitar, Drums, Keyboard, and Singing. No need to buy an instrument right away—everything can be provided during lessons.

Children form bands and learn in small groups, playing modern pop and rock songs. The term ends with a fun performance to showcase what they've learned (to Parents in Summer Term). Lessons are 20 minutes long and take place during school hours (not during break times). It's a fun way to build confidence and learn teamwork.

If the teacher misses a lesson, it will be rescheduled. If a student misses a session due to illness or a school trip, I'll do my best to arrange a makeup lesson.
