

This week you need to choose one of the texts to read and answer questions about. Remember to underline things to help you and look carefully in the text for the answer.

My Alien Friend

9 Did I ever tell you about the time that
18 an alien landed in my garden? It was a
24 warm, sunny day. I saw a
29 rocket in the pond. There
34 was smoke coming out of
39 it. A very strange creature
45 was standing next to it and
51 it looked quite cross. It had
57 a blue, furry body and green
61 skin. I went outside.

68 “Can I help you?” I asked shyly.
74 “My rocket has crashed!” he said.
80 I found some tools and helped
86 him to fix his broken rocket.
94 “Thank you!” said the alien with a big
103 grin. Then he blasted off in his rocket. A
112 few days later, I found a parcel on my
113 windowsill...

The Spaceship

9 Meg and her dad loved looking at the stars.
16 One day, Meg's dad had a brilliant
17 idea.
22 "Let's make a spaceship!" he
23 said.
29 They worked all day on the
33 spaceship. Dad used a
37 hammer to join big
40 pieces of metal
43 together and Meg
47 painted it bright red.
52 They used an engine from
58 an old car. They put lights
64 all over the front of the
67 spaceship. Meg packed
73 them a picnic for the trip
81 that they would take when the rocket was
89 ready. Finally, Dad pressed the 'on' button. The
93 lights began to shine...
