

Reception Homework – Friday 17th October 2025

Please complete this week's homework by taking pictures/videos for Tapestry. Please give it the title: Homework 17.10.2025

Activity:

Next week, we will be learning about autumn and the signs of autumn. For your homework this week, we would like you to go on an autumn walk. As you go on your autumn walk, use your senses to describe what autumn is like. You could even go on an autumn scavenger hunt using the ideas on the next page! Can you take photos with your grown up of the signs of autumn you spot?

Parents:

- Talk to your child about the different signs of autumn you find.
- Talk to your child about what they see, hear, feel and smell in the autumn.
- Use the checklist attached on the next page (if needed) to help with ideas of signs of autumn to spot outside.
- Support your child with taking photos of what they find.
- Discuss the type of clothing you need to wear during the autumn and why.
- Discuss which season comes after autumn.
