

## Reception Homework – Friday 8<sup>th</sup> May 2025

Once your homework is completed, take a photo or video and upload it onto Tapestry.  
Please give it the title: Homework 08.05.2026

Activity:

In school today we had great fun completing our obstacle course. Tell your grown up about the activities we completed (look at Tapestry for some photographs to remind you if you need them). For your homework this week can you make an obstacle course in your house or garden for you and your family to complete?

If you need some more ideas watch this clip of Bluey to help:

Parents:

- Support your child by talking about what obstacles we used in school.
- Support your child by suggesting ideas of obstacles that you could use at home.
- Support your child to set up the obstacle course.
- Encourage the whole family to join in and see who does it the best.
