

Reception Homework – Friday 9th January 2026

Once your homework is completed, take a photo and upload it onto Tapestry. Please give it the title: Homework 09.01.26

Activity:

For your homework this week, we would like you to go on a winter walk. As you go on your winter walk, use your senses to describe what winter is like. You could even go on a winter walk scavenger hunt using the ideas on the next page! Can you take photos with your grown up of the signs of winter you spot?

Parents:

- Encourage your child to speak in full sentences when they are discussing winter.
- Discuss what you do at home during the winter (e.g. have the heating on or a fire burning) and how it stays dark in the mornings and gets darker quicker in the evenings.
- Talk to your child about the different signs of winter you find.
- Talk to your child about what they see, hear, feel and smell in the winter.
- Use the checklist attached on the next page (if needed) to help with ideas of signs of winter to spot outside. Some of these may be difficult depending on the weather!
- Support your child with taking photos of what they find.
- Discuss the type of clothing you need to wear during the winter and why.
- Talk about past experiences of winter.
- Discuss which season comes after winter.

Winter Walk Scavenger Hunt

Frost

A bare tree

Ice

A hat, gloves
and a scarf

Robin

Pine cone

Berries

Paw/footprints
