

Continents

In Geography we are learning about the continents of the world. This week we would like you to choose a continent and find out some interesting facts about it.

You can choose how to present your research. You may wish to:

- Make a poster
- Make a leaflet
- Create a fact file
- Write your facts in your homework book
- You could also draw and label pictures

You may wish to use these websites or find your facts in a book:

Songs

We have enjoyed listening to these songs to help us learn the names of the continents and oceans. You can listen at home if you want!

Spelling

Each week will list the spellings we have been working on in class. The children can choose 5 words to practice from the list below. They can write them out 5 times or choose to write them in a sentence. This week we have been starting to learn the common exception words for Year 2.
